

New Ideas

And Inventions

By Roger Babson

BABSON PARK, Jan. 10.—At the close of each year I like to go through the various interesting inventions of the preceding year. They always give me inspiration and make me certain that there are opportunities enough for those who will use their heads and legs.

I will not discuss atomic bombs or radar or electronics or plastics or other things which have been discussed in the papers and magazines. Rather, I take the apparently insignificant things in the belief that they, in the aggregate, may do much more for individual readers of my column.

Suggestions For G.I. Men
One of the simplest, and yet may be revolutionary, is the development of confections, cakes and other food products by the use of starch sponge. To jump to the other side of the spectrum, we find the use of

fog to put out fires. May I continue without comment: Nonbreakable incandescent lamp bulbs... ice boxes with revolving interiors... electric switches which work with a delayed action of three minutes... windows made of glass strips like venetian blinds... new "smoke screens" to protect orchards and groves against frosts and insects... paint mixed with D.D.T. to kill flies and mosquitos...

A year ago I mentioned the new art of recording music, messages, etc. on magnetized wire; well this is now on the market. A new one that hasn't yet been marketed is truly hole-proof stockings made out of ramie instead of cotton or rayon... a machine for projecting reading matter on the ceiling so you can read actually lying down...

8th Loan Goal

Going way over its quota, Arlington purchased a grand total of \$4,427,000 in Victory Bonds during the 8th and final War Bond drive, the Massachusetts War Finance Committee announced this week. The goal set by the U. S. Treasury Department was \$3,336,000.

Of this amount, \$262,000 represented Series "E" Bonds purchased by individuals who likewise over-subscribed the goal set for this type of bonds, according to official figures released by the State Committee. The Series "E" goal for the final drive was \$234,000.

In releasing this final report, Arthur J. Mansfield, general chairman of the Arlington War Finance Committee, pointed out that the Victory Loan result, combined with the \$27,631,775 raised in seven previous drives, brings Arlington's War Bond purchases during World War II to the impressive total of \$32,058,775.

Corporations cooperated in putting the drive "over-the-top" in Arlington, many of them taking the initiative in crediting a certain amount of their Bond purchases to this Town.

In announcing the final results, Mr. Mansfield expressed his personal thanks to all individuals and business concerns, whose combined

Capitol Theatre Employee Dies

Stricken with a heart attack, Alfred G. Cumner, 79, of 11 Trowbridge st., died while at work in the Capitol Theatre. James Booth of 210 Massachusetts ave., who discovered the body shortly after 9 o'clock Monday morning, notified the police and the ambulance was sent to the theatre. Dr. Edward W. Feeley pronounced the man dead.

Funeral services for Mr. Cumner were held yesterday afternoon at his home. Burial was in Mt. Pleasant Cemetery.

Mr. Cumner was born in Sandhurst, England, and was a member of the Masons. He leaves three daughters, the Misses Florence E., Beatrice V., and Geraldine A. Cumner. He was the husband of the late Carrie (White) Cumner.

HIGH SCHOOL PARENTS' DAY

Following up the successful Parents' Day of last year, held at the High School, Herman Gammons, principal, announces that the first Parents' Day of 1946 will be held next Tuesday from 2 to 3 o'clock.

At that time, the teachers will be present to meet parents and discuss their mutual problems. All parents are cordially invited to visit the high school and become acquainted with teachers and their work.

V. F. W. to Have Mass Initiation

More than 100 new members of Arlington Post 1775, Veterans of Foreign Wars, the majority of them veterans of World War II, will take their obligations into the VFW at a mass initiation in Robbins Town Hall next Tuesday evening. This will be the first ceremony of its kind opened to the public in the history of the post.

Taking part in the exercises will be the Middlesex County drill team directed by past Department Commander William F. J. Mahoney and Fielding's Military Cadet Band of Boston. Clarence H. Marsh, commander of the Arlington VFW post, will preside.

Senior Vice Commander Al Widger and P. C. George Dassos, membership chairman, told the NEWS yesterday that any member of the armed forces who is eligible to join the Veterans of Foreign Wars along with the men to be obligated next Tuesday, are invited to do so by contacting them before the ceremonies.

Following the mass initiation, dancing will be enjoyed to the music of Fielding's Military Cadet Band. Families and friends of those to be initiated, as well as the general public, are invited.

To Plan Celebration For Returned Veterans

Two members from the local posts of the American Legion, Veterans of Foreign Wars and Disabled American Veterans will meet with the Board of Selectmen next Monday evening to start plans for a public celebration in honor of the returned men and women who have served in World War II.

Boys' Club Directors Plan Annual Meeting

The annual meeting of the board of directors of the Arlington Boys' Club will be held next Thursday evening at the clubhouse. Roscoe O. Elliott will preside. Annual reports and election of officers will highlight the meeting.

PARMENTER PTA TO MEET

The Parmenter PTA will meet next Monday evening when Mr. and Mrs. Stanley C. Parmenter of Lexington Arts and Crafts Society will entertain with kodachrome and marionettes. Last year's sixth grade parents will be guests. Classrooms will be open at 7:30.

Proclamation

WHEREAS, the disease of infantile paralysis rages in many cities of our nation every year, leaving in its wake hundreds, even thousands, of stricken men, women and children, many of them crippled for life, and

WHEREAS, the National Foundation for Infantile Paralysis, by assuring care and treatment for all victims of poliomyelitis and by carrying on its great program of research for the prevention and possible cure of this virulent disease, has earned the overwhelming gratitude of the American people, and

WHEREAS, the March of Dimes, conducted annually by the National Foundation will be held during the period from January 14, to 31, 1946.

THEREFORE, be it resolved, that all citizens are urged to cooperate with the March of Dimes in Arlington, and to deposit their gifts in collection boxes set up throughout the Town by the Committee, or to send them directly to the Chairman of the March of Dimes, Arlington (74), Mass.

Polio Fund Drive Opens With Dance

A public dance in Robbins Town Hall tonight will officially launch Arlington's part in the 1946 March of Dimes campaign which officially opens next Monday and continues throughout the month.

The benefit dance will be sponsored by the Arlington Auxiliary Police Association with William Sinclair and Jack Keefe as co-chairmen. Music will be furnished by Ray Borden's Band. Ray was formerly with Stan Kenton and Al Donahue. Tickets for the affair have been placed on public sale and a large crowd is anticipated.

W. Dale Barker again heads the Arlington drive for the National Foundation for Infantile Paralysis. Last year, Arlingtonians contributed some \$2000 to this cause. March of Dimes boxes will again be placed in stores. Contributions may also be left at any of the Arlington banks or may be sent directly to a committee member. One-half of last year's collections went to the New York headquarters to be added to the monies reserved for epidemics, research and education. The balance of \$1000 went to the Middlesex County Chapter treasury.

In a letter to Mr. Barker, Ernest L. Kimball, treasurer of the county chapter, points out that last year \$5,791.08 was spent on Arlington polio cases alone. This sum included \$2,691.68 for hospital care, \$611 for doctors' bills, \$4,707 for nursing care, \$508.20 for clinic care, \$168 for orthopedic work and \$115.20 for transportation of patients. "The letter," Mr. Barker says,

"answers the question which is uppermost in most people's minds —Does anybody in Arlington receive benefits from the money collected for the March of Dimes?"

All cases investigated either by the Town Committee or an experienced investigator connected with the Middlesex Chapter office. This includes a checkup with the Board of Public Health, and a request must also be supported by the recommendation of the attending physician before the case is submitted for consideration to the Chapter board of directors.

When favorable action is taken the Chapter assumes the financial responsibilities connected with the case. Support is also given by the Foundation to medical institutions, such as the Harvard Infantile Clinic, Massachusetts General and the Children's Hospital, in the form of financial grants. Other educational.

RELIEF FUND TO BE SET UP FOR FIREMEN

The Arlington Touchdown Club, following a conference with Chief Daniel B. Tierney, has undertaken to set up a permanent relief fund for members of the Arlington Fire Department who may be in need.

Action was taken following the flash fire which took the lives of two firemen and seriously injured two others which brought to light the fact that no relief fund existed for these firemen.

The fund will be started by voluntary contributions and the support of the general public will be sought. The subscription period will run one month and contributions should be made to the Arlington Firemen's See FIREMEN

new methods of home heating where the heat radiates through the plaster, eliminating registers, radiators, etc. . . . a new "packaged kitchen" whereby the refrigerator, stove, incinerator and dish washer will be a part of the same machine . . . a new flooring known as stonolium which can be applied directly over concrete floors avoiding dust and cracking . . . a new machine to automatically figure dividends, pay rolls and do billing at the speed of 4,000 per hour.

As the vacuum cleaner put grandma's whisk broom out of business, the new electric dust collector destroys the dust so that even a bag is unnecessary . . . A new type of oil coating housewives can use to prevent fruits and vegetables from getting dry and prevent ham and other meats from getting moldy is being sold. To offset this, the vacuum cleaner salesman will offer a

new electric clothes brush! We will no longer need to telephone our telegrams but simply write them and drop them in a slot and they will be delivered by facsimile television.

Some G.I. men will be selling fountain pens which need filling only once in ten years, and new dry-cell batteries which will outlast two hundred of the old-fashioned kind. The bedroom windows will rise and fall automatically by pushing a button under your pillow. (I already have one!) while old-fashioned window screens will be seen only in museums. I could write a column on new plans for the frozen food industry and also forecast that your grandchildren will break no dishes or glassware, — why? because they can't be broken! The best opportunities, however, will come to those who sell these things rather than to the inventors.

Chemical Products Enticing Great steps are being taken in colored photography for amateurs. I expect soon to have an electronic bread toaster on my table, requiring

no cord connection with the wall. During 1945 one of the leading investment houses sold stock for an entirely new process of marketing powdered fruit juices. 1945 showed great strides in fluorescent lighting. All our garden seeds may soon be immunized so that no bugs will attack the plants. New developments in x-ray read like fairy tales.

Hundreds of new uses for rubber are in the offing while microphotography has some surprises. We must also remember the possibilities in plywood and super-rayon. Electronic eye-glasses may do for the nearly blind what hearing-aids are doing for the deaf. New synthetic foods, flavors and aromas have great possibilities and the rayon factories may soon be turning out candies, cookies and other food products.

Please don't write me for further particulars regarding any of the above things. I am neither an inventor nor chemist but am merely passing along news and dreams.

Clothing Collection Is Set For Jan. 20

A house-to-house collection of clothing for war-devastated Europe, China and the Philippines will be held in Arlington on Sunday, Jan. 20, it was announced Monday night at a meeting of the Arlington committee sponsoring the local effort in the National Victory Clothing Collection for Overseas Relief being held this month.

The collection will be conducted in a manner similar to that of recent newspaper salvage drives and the people of Arlington are urged to gather and bundle clothing and other usable materials ready for collection on that day.

Depots Set Up Meanwhile, those who wish to dispose of their bundles before that date, may leave them at any of the convenient receiving depots that have been set up at Arlington schools, the three Post Offices, one in each of the business areas of the town, the Regent Theatre and Capitol Theatre, and in the office of the Boston Edison Company in Arlington Center. Additional depots will be made available upon completion of arrangements.

Henry E. Keenan, Arlington chairman, who presided at Monday night's meeting, called attention to the pressing need of clothing, shoes and bedding for victims of World War II. The Arlington effort is part of a nationwide campaign under the direction of Henry J. Kaiser, national chairman.

The meeting was attended by representatives of most of the local educational and civic organizations.

These representatives wholeheartedly indicated their support of the program and undertook to impress upon their membership the importance of an enthusiastic response.

The need is for neatly tied bundles of clothing, in reasonably clean and fairly good condition, including yard goods, old overdrapes, black-out curtains and miscellaneous squares of clothes. Clothing involving separate pieces such as suits and shoes should be fastened together.

The committee urges that a friendly message of cheer and goodwill be attached to one of the garments being contributed. If the contributor signs his name and address clearly, he will undoubtedly receive an interesting reply from the ultimate recipient.

In addition to Mr. Keenan who is general chairman of the drive, the following prominent citizens are taking an active part: Harold Clare of the Rotary Club, publicity director; Harry Fox of the Kiwanis Club, collection supervisor; Clifford Hall of the Rotary Club, Superintendent of Schools, educational director; Gouverneur Desmond of the Lions Club, shipping officer; Lawrence Bliss of the Chamber of Commerce, clothing security officer.

Hardy School PTA

The Hardy School PTA has completed plans for a square dance to be held next Thursday evening in the school auditorium. Albert E. Haynes, instructor of early American dances at Henry Ford's Wayside since 1932, will be the caller. Music will be furnished by his orchestra.

Bradshaw Union Elects Officers

The January meeting of The Bradshaw Union was held in the Orthodox Congregational Church Monday afternoon. Annual reports were read and officers elected.

Mr. and Mrs. David G. Colwell were special guests. Mr. Colwell spoke on the great need among people in the war-stricken areas, and the work being done by the Congregational Service Committee. Fifty dollars of the annual offering was given to this work, and many of those present signed cards pledging a weekly sacrificial gift for war victims.

Tea was served and a social hour enjoyed.

Officers elected were: Mrs. David A. Wilcox, president; Mrs. John K. Berry, Jr., first vice-president; Mrs. Thomas Pitre, second vice-president; Miss Alice Whittier, recording secretary; Mrs. Harry B. Spong, assistant secretary; Mrs. Clifford Cox, corresponding secretary; Mrs. Glenn Owens, treasurer; Mrs. Frank B. Savage, assistant treasurer; Mrs. Mortimer H. Wells, auditor; and Mrs. Harold B. Wood, pianist.

Committee chairmen: Mrs. Earl S. Clark, ways and means; Mrs. Joseph Roche, good cheer; Mrs. Warren A. Seavey and Miss Mildred Sullivan, membership; Mrs. Henry Guernsey, nominating; Mrs. Albert H. Perkins and Mrs. Curtis Keith, social; and Mrs. Frank Walker, social service.

Relief Association, Inc., Arlington Fire Department headquarters. Envelopes have already been distributed for the convenience of those who wish to have a part in setting up the fund. The fund will be managed by the firemen themselves similar to the Arlington Police Relief Association.

The Touchdown Club Committee in charge of the appeal includes Anthony Campobasso, Walter T. Chamberlain, Edward Duffey, John M. Falvey, Russell T. Hamlet and Edward W. Higgins, chairman.

Grange Installs Officers for 1946

Arlington Grange has installed the following officers for the year 1946:

Master, Eli Maynard; overseer, Frederick Malabenden; Elizabeth Witthius; steward, Walter Traffon; assistant steward, Brother Cunningham; chaplain, Katherine West; treasurer, Mabel McCoy; secretary, Dena Wolfer; gate keeper, Francis Perry; Ceres, Georgia Malabenden; pomona, Anne Perry; Flora, Freda Marsh; lady assistant steward, Irene Maynard; executive committee, Marion Thurston. The installing officer was Arthur Thompson.

Miss Elsie Leslie is chairman this year of the State Home and Community Committee, being appointed by the new State Master, L. Roy Hawes.

Moody-Pfister

Announced recently was the engagement of Miss Florence Mira Moody, daughter of Mrs. Moses L. Moody of Oxford st. and the late Mr. Moody, to Louis C. Pfister of Philadelphia, son of Mr. and Mrs. L. M. Pfister of the same city.

Miss Moody is a graduate of Simmons College. Mr. Pfister received his degree from Temple University and until he received his commission in the Army Air Forces, was a student at the Harvard Graduate School of Business Administration. He has been released from active duty after four years service, 30 months of which was overseas, first in the Caribbean area and later with the Fifteenth Air Force in Italy.

Marycliff Benefit Set for Wednesday

A monster penny sale, benefitting the building fund of Marycliff Academy, will be held next Wednesday evening at 8 in Robbins Town Hall. The sale was originally scheduled for November but was postponed because of a snow storm.

Over 700 gifts have been contributed by friends of Marycliff toward the sale. An electric refrigerator, electric washing machine, clocks, toasters and a diamond ring will be offered as prizes. The proceeds will go toward the new school to be built in Winchester.

7630 HOME VISITS MADE BY VISITING NURSES IN '45

Arlington Visiting Nurses made no less than 7630 home visits during the past year, Miss Caroline Fandel, supervisor of nurses, reported at the annual meeting of the Visiting Nursing Association held in the Robbins Library Hall on Tuesday.

The responsibility and opportunity for assisting families in Arlington to care for their sick in their homes has been a challenging one, Miss Fandel reported. There was an attendance of 940 at the baby clinics, she added. In fighting all sickness that menaces the community health, public health nurses are usually the first line of defense and stand ready to meet all urgent needs, she stated.

Officers elected were: Mrs. Llewellyn M. Evans, president; Mrs. Louis S. Chick, first vice-president; Mrs. Benjamin F. Hickey, second vice-president; Mrs. Arthur Birch, recording secretary; Mrs. Marvin O. Campbell, corresponding secretary; and Mrs. Frederick W. Hill, treasurer. Also Mrs. John A. Bishop, Mrs. James W. Kidder, Mrs. Marcus J. Gray, Miss Edith Winn, Mrs. M. Norcross Stratton, Miss Caroline D. Higgins, Mrs. Paul Chandler, Mrs. Howard Ensor, Mrs. Arthur J. Mansfield, Mrs. Walter R. Boone, Mrs. Edwin A. Barnard, Mrs. D. Herbert Buttrick, Mrs. George S. Donahoe and Mrs. J. Milton Washburn, directors.

Dr. Alfred Yood, guest speaker, told of what was done to safeguard the health of men and women in the armed forces. He explained the uses of the many new drugs to control infection. The United States Army is the healthiest in the world, he stated, describing the great advances made in the science of medicine in this war.

Woman's Relief Corps Officers Installed

Officers of the Francis Gould Woman's Relief Corps were installed yesterday afternoon at 283 Broadway by Department president Abbie Allen. They are:

Mrs. Ann Murphy, president; Mrs. Margaret Law and Mrs. Rena Fredricks, vice presidents; Mrs. Minnie Barry, treasurer; Mrs. Katherine Whelton, chaplain; Mrs. Jeanette Kimball, conductor; Mrs. Emma Morrison, guard; Mrs. Josephine Williamson, secretary; Mrs. Blanche Lewis, Mrs. Jeanette Kimball, Mrs. Ida Bowman and Mrs. Ida Lutz, color bearers.

A supper followed the installation.

Hickey-Flett

Mr. and Mrs. Austin T. Flett of Naperville, Ill., announce the engagement of their daughter, Elizabeth Jane to John Armstrong Hickey, son of Mr. and Mrs. Benjamin F. Hickey of 58 Old Mystic st. Miss Flett attended North Central College in Naperville before accepting a position with American Airlines. Mr. Hickey, also with American Airlines and recently discharged from the Army Air Forces, attended Bowdoin College. The wedding date has been set for Jan. 26.

Friends to Give Victor Herbert's "The Only Girl"

On Wednesday, Thursday, Friday and Saturday evenings of next week, the Arlington Friends of the Drama will offer something entirely different from anything they have ever done before.

Forsaking Gilbert and Sullivan for the time being, and responding to popular demand, the Friends will venture for the first time into the field of musical comedy, bringing to their stage Victor Herbert's "The Only Girl".

The Friends' presentation has been somewhat modernized, to bring the dialogue of thirty years ago up to date; but otherwise nothing has been done to impair the Victor Herbert flavor, and it will all be there for Victor Herbert lovers to see and hear—lovely, familiar lilting tunes, such as "When You're Away, Dear," "When You've Got The Ball and Chain Around Your Ankle," "Here's The Land We Love," and "You're The Only Girl For Me"—together with the songs and of course the eye-filling pony ballet. The production is under the direction of Edward W. Center, who has the assistance of Miriam Hendrick Cahalin for the dialogue and stage business, and of Helen Stinson Center for the dance routines. Mrs. Center not only is training the dancers, but she originated the dances themselves.

An outstanding cast has been selected to play "The Only Girl," headed by Ruth Olive, whose soprano voice has delighted Friends' audiences in several concerts. A newcomer to the Friends, Edward Milten, will play the male lead opposite Miss Olive. Supplying a good share of the comedy will be Anne Pickering, widely known as a professional comedienne.

Others who will sing and dance, as well as help unfold the story of "The Only Girl," are Helen Geary, Alberta Publicover, Parker Wood, Donald Sullivan and Tom Roach. These five, together with Anne Pickering, play a trio of married couples whose troubles, solved and unsolved, form the plot of the musical. George Pugh properly belongs with this group, since he serves them all as butler.

Surely no more engaging sourette could have been found for the role than Carol Wilkins, the delightful little dancer of last year's "Iolanthe." Created especially for her, her dances in "The Only Girl" show off this talent to the very best advantage.

Lorraine Clifford, Beatrice Cook, Norma Elgee, Nancy Godboldt, Marcia Lovering and Marjorie Munroe are in the chorus. Particularly in a lovely waltz routine, they form a gorgeous picture.

—Leonora Cursey is a member of the Judicial Board in charge of the 12th Night Vesper Service which officially ended the holiday season at Boston University college of physical education Sunday afternoon.

Boy Scout Notes

Scouts Hear Chaplain

A highly entertaining meeting and Parents' Night was held Monday evening by Troop 10 at the Calvary Methodist Church, the highlight being an address by Capt. Wilbur C. Ziegler, who served for many months as chaplain with a Mustang

fighter group in England during the recent war.

The program opened with cornet selections by William Hamilton. Scoutmaster Edward Willet then introduced Troop Committee Chairman Fay Graves who introduced the guest speaker.

Capt. Ziegler, a former Scout in Troop 8, made a hit with the boys as he told many humorous experiences and some not so humorous.

His advice to the boys was, "Shoot for the stars in whatever endeavor you undertake. If you're going to be a Boy Scout, be the best Boy Scout in the business, and settle for nothing less than the Eagle rank."

Capt. Ziegler's talk was followed by a hilarious Camp Schem skit featuring William Hamilton as "Ranger Joe." Troop Committee Chairman Graves and Capt. Ziegler were initiated into the exclusive Ranger Joe Club in a complicated ceremony that brought forth much laughter.

Refreshments were served by the boys' refreshment committee.

—George G. Walker of 23 Lennon road, has won a \$100 prize in a slogan contest held among the H. P. Hood & Sons' 5000 employees in connection with the opening of the company's 100th anniversary year.

UNIVERSITY THEATRE
Co-starring Hedy Lamarr, Robert Walker and June Allyson, the new hit, "Her Highness and the Bell-boy," opens Sunday at the University Theatre. Directed by Richard Thorpe and produced by Joe Pasternak, the film tells the enchanting story of a bell-boy who falls in love with a princess and is confronted with the problems of leaving the girl he always has adored.

—Cpl. William P. Lopez, husband of Thelma D. Lopez of 1139 Massachusetts ave., is en route home aboard the USS Rutland from the Pacific theatre.

A GLORIOUS AND VICTORIOUS ENDING

World War II Bond drives are now history.

The Massachusetts War Finance Committee, in making its last report on the 8th, or Victory Loan drive, reports that Arlington citizens and corporations purchased Victory Bonds totalling \$4,427,000 in this final effort. This was more than one million dollars above the quota set for this drive. Added to the amounts subscribed in the seven previous drives, Arlington can point to a grand total of \$32,058,775.

Arlington may well take pride in this record showing that the Town oversubscribed its quotas by a very substantial amount. This could not have been achieved without the cooperation of countless individuals and organizations. First, the members of the Arlington War Finance Committee, then the Arlington School Department, including principals, teachers, Parent-Teacher Association volunteers and the school children themselves whose consistent effort and purchases boosted the Town's Series "E" bond sales to great heights; the Post-office Department, the Arlington banks and their staffs, who gave up much time in issuing bonds since the very start of World War II; the members of the women's division of the local War Finance Committee and the many women who volunteered to man the booth in Arlington Centre; the theatres, which sponsored several War Bond shows; military, patriotic and civic organizations and the town officials who cooperated with the War Finance Committee in every way in all special War Bond sales events. The helpful cooperation at all times of War Finance officials at Boston headquarters contributed greatly to our success.

The NEWS, too, is proud of the assistance it has given the United States Treasury Department in promoting the sale of War Bonds in Arlington. The publisher of this newspaper has served as general chairman of the Arlington War Finance Committee, and the promotion of Savings Bonds locally became a major wartime project with this publication. The staff has devoted considerable time and effort to this government program through eight successful drives. Few, if any newspapers of its size, gave as much space to put across the Treasury Department's messages in connection with these drives. The public spirited citizens and business establishments who served as sponsors of advertising messages prepared by this federal department, likewise, had no small part in the success of the fund-raising program.

There will be no more Bond drives, but, the Treasury Department will continue to sell Series E, F and G Bonds. These will now be called U. S. Savings Bonds.

Today the Treasury, appraising the benefits of this wartime pro-

gram of national and individual saving, and in response to widespread requests from industry, labor, educational and civic groups, has decided to insure the continuance of these benefits by making the Bond program a continuing peacetime operation.

It is expected that the program will be a bulwark against the huge inflationary pressures which, if the period immediately following the last war is any precedent, are expected to come early in the peace.

Bonds are still a good investment. Let's hold on to those we have already bought, and plan to purchase as many as we can afford in the future.

WORTHY OF YOUR SUPPORT

The setting up of a permanent Firemen's Relief Association, which was initiated by the Arlington Touchdown Club as an aftermath of a recent fire which took the lives of two firemen and seriously injured three others, should fill a long-felt need.

The objective is to establish a relief fund, managed by the firemen themselves, for the benefit of such firemen who may be in need. It will compare with similar funds already existing for Arlington police officers and for fire departments in other communities.

Arlington citizens who have wanted to do something for the victims of the recent fire may now do so by sending their checks to the Arlington Firemen's Relief Association. A modest contribution by many will go a long way.

The NEWS OBSERVES

The next B.A.A. marathon should boast a record field of entries if all the potential candidates now getting in trim running from store to store for every-day necessities is any criterion. While the housewife is looking for butter, sugar, coffee, gingerale, prunes, etc., hubby is making the rounds for shirts, shorts and perhaps a suit of clothes.

Pedestrians usually have the right of way, but there is such a thing as common courtesy due motorists, too. Some pedestrians disregard traffic lights and seem to insist upon taking all the time they want crossing streets, taking the attitude, "Hit me if you dare." Trouble is some are apt to take them up on it.

"U. S. Ponders Steel Price Boost" reads newspaper headlines. And, the average wage earner who has been wrestling with a budget for the New Year ponders how he's going to make both ends meet. Strikers will undoubtedly get nearly what they're asking for, and, of course, the boost will be passed along to the consumer.

Congressman Edith Nourse Rogers has been informed by the United States Coast Guard that the annual competitive examination for cadetships in the Coast Guard Academy at New London, Conn., will be held May 8 and 9. Men 17 to 22 years old are eligible to take the examinations. This is a four years course at the Academy and leads to the Bachelor of Science degree in Engineering and a commission in the regular Coast Guard.

The United States Merchant Marine Cadet Corps competitive test for its Academy at Kings Point, Long Island, New York, also will be held on April 3. The closing date for applications is March 16. Men 16 1/2 to 21 years old are eligible to take the test. This is a four years course and leads to duties as Assistant Engineers and Deck Officers in the Merchant Marine. Congressman Rogers will send application forms and complete information concerning these Academies and the

requirements to the men who are interested.

A new program in flight training for men 18 through 22 years of age has been announced by the United States Navy. Designed to admit men to flight training who have four terms of college work or the equivalent, the program will allow enlistees to omit the training period in college and to enter pre-flight training directly.

Men accepted under the new program will be classified as Aviation Cadets, V-5, until completion of their intermediate training phase when they will be commissioned ensigns in the United States Navy. Ensigns or second lieutenants in the United States Marine Corps Reserve.

To be eligible, men must be not less than 18 and not more than 22 years of age at time of enlistment. Physical and mental examinations and interviews will be given applicants at the Office of Naval Officer Procurement, 150 Causeway st., Boston.

That Pesky Cough

Without a lot of parlor vous and decorated phrases, I have a cold that drives me nuts, and makes me cuss like blazes. I've taken pills and heaps of stuff, and drinks of amber hue. But damn the thing it clings to me closer than LePage's glue.

I guess if I were President, at lovely Symmes I'd be. With special nurses at my side, feeding precious drugs to me.

But gosh-damn! I'm not sick, and do not need a nurse. And haven't got what it would cost within my meager purse.

Some day perhaps the scientists will take a few days off. And hit upon a remedy to cure the pesky cough.

Until that day I guess I'll cough, and mine believe it funny: 'Tis said that darkest days are bright if you THINK they're sunny.

Buckley, candidate for re-election to the three-year term on the Board of Park Commissioners; John S. Crosby, seeking re-election to the Board of Health; Miss Mary Helen Teale and Wilson D. Clark, Jr., candidates for re-election to the board of trustees of the Robbins Library; Roy D. Crosby, for Sinking Fund Commissioner; Edward P. Clark, for the Pratt Fund for five years; Sherman H. Peppard for two years; and Harold A. Yeames, for trustee of the Farmer Fund for five years. Also, Edward C. Hildreth for two years and Arthur O. Yeames for one year as trustees of the newly-created Francis E. Thompson scholarship fund.

Several other candidates, including those for the Board of Selectmen, are likely to be announced before the deadline for filing nomination papers. Chairman Roscoe O. Elliott's term expires this year.

Little Plan E Bill Filed

Meanwhile interest was aroused this week by the filing of a bill which would give towns in the Commonwealth the right to decide by ballot on the adoption of the town manager form of government. The bill was filed by Speaker of the House Frederick B. Willis (R) of Saugus who filed a similar measure some time ago giving Boston citizens an opportunity to vote at the next State election on acceptance of the Plan E city manager system. The bill referring to towns has been termed, "The Little Plan E."

Representative Willis' bill applying to towns, including Arlington, would make it possible for 10 percent of the qualified voters to petition the selectmen to put the town manager question on the ballot in the town election. If adopted, the plan would provide for five selectmen elected by proportional representation, along with members of the school committee. The selectmen would appoint a town manager for a five-year term and he would be administrative head over virtually all town departments.

The town manager would submit his annual budget to the selectmen, who could change his recommendations and then pass the budget onto the Finance Committee which would make recommendation to the town meeting members, as at present.

The selectmen, by four-fifths vote, could remove the town manager, but they would first be required to give in writing the reasons for such removal. The town manager would be entitled to a public hearing before he could be removed.

Election Date Set

The Board of Selectmen at its meeting Monday night opened the warrant for the annual town election on March 4 and the annual meeting on March 13. The warrant will be closed Jan. 28 at 8 p. m. Any article, signed by 10 or more registered voters, will be inserted in the warrant if filed before that time.

The Board also set March 15, 18, 20 and 22 as dates for adjourned meetings if the business in the war on March 13.

tional institutions receive similar grants. Of particular interest to Arlington, is the clinic which is open to polio victims at the Visiting Nurses rooms every Tuesday afternoon. This clinic is supported by the Middlesex Chapter, and treatment and recommendations are given by a trained physiotherapist.

Serving on Committee

The Arlington March of Dimes Committee includes: W. Dale Barker, chairman; William T. Sinclair, vice-chairman; Dr. Ralph Lancaster, treasurer; Mrs. Robert W. Murphy, chairman of ladies' division; Mrs. Llewellyn Evans, Visiting Nursing Association; Mrs. Norman Griffin, Woman's Club; Mrs. Patrick F. Pallante, Catholic Woman's Club; Mrs. M. P. King, PTA Council; Mrs. Roberta Norris, Girl Scouts; Mrs. Stanley R. Kingman, Camp Fire Girls; Philip Bower, Board of Health; Clifford R. Hall, Public Schools; John Murphy and Jack Keefe, Arlington Auxiliary Police; and William Lowder.

efforts helped make the Victory Loan drive such a success.

While there will be no more Bond drives, the U. S. Treasury Department will continue to sell Series E, F and G Bonds, and the Arlington chairman urges those who have systematically bought Bonds during the war to keep up their purchases.

HOLY NAME BREAKFAST

The Holy Name Society of the Immaculate Conception Parish will receive Communion at the 8 o'clock Mass on Sunday. Following the Mass a Communion breakfast will be served at the Western Junior High School, Holland st., Somerville. The guest speaker will be Lawrence Healey of the FBI.

SELECTIVE SERVICE OFFICERS TO RECEIVE MEDALS OF HONOR

Store Manager Is Badly Burned In House Blaze

Bernard H. Carroll, manager of Leggett's Drug Store in Arlington Center, suffered third degree burns about the hands and feet Friday night when fire broke out in his first-floor apartment at 10 Highland ave.

Mr. Carroll, who was alone at the time, was asleep on a divan in the living room when awakened by the blaze. Firemen, who responded to an alarm sounded shortly after 9:30, rushed the man to the Symmes Hospital in the Fire Department's special service car. The living room was gutted and considerable furniture, which had been reached by the flames, was carried out of the house by firemen.

Mr. Carroll's wife, and daughter, Helen, a Boston University student, who were out together for the evening, were unaware of the fire until they returned home about two hours later.

The two-family house is owned by Mrs. Mary Green of South Boston.

BUY VICTORY BONDS

The Selective Service Medal and Certificate of Merit provided by the Congress will be presented to members of both Arlington Draft Boards at a testimonial dinner in the Robbins Town Hall on Jan. 21, further plans for which were made Monday evening at a meeting of a special committee appointed by the Board of Selectmen.

Medal recipients will include Judge John G. Brackett, 87 Pleasant st.; Hugh A. Carney, 30 State st.; Walter T. Chamberlain, 160 Jackson st.; Maurice L. Hatch, 20 Draper ave.; Gardner C. Porter, 207 Crosby st.; Horace G. Taylor, 65 Kensington park; Arthur O. Yeames, 24 Kensington road, and the late John A. Bishop, all of whom have served on Draft Board 4. Also Harold A. Cahalin, 15 Johnson road; Clifford A. Cook, 6 Iroquois road; Harrie A. Dammun, 55 Robbins road; George E. Minot, 31 Benjamin road; Frank G. Volpe, 88 Webber road, and Albert W. Wunderly, 9 Lincoln st., of Board 5.

Also scheduled for honors will be other prominent citizens who have been actively engaged in Selective Service work with honorarium. Dinner tickets for the affair are available at the following distribution points: Central News Store, opposite the Town Hall; Sanger's, Park ave., Arlington Heights; Smail's Gift Shop in East Arlington; and at the office of the Board of Selectmen. The public is invited to attend.

Presentation of the awards will be made by Roscoe O. Elliott, chairman of the Board of Selectmen. The program will be arranged so that those present may be able to listen to Governor Tobin's address which will be broadcast over a statewide radio network at 9 p. m.

A PLEDGE FULFILLED

The Annual Report to Stockholders of Boston Edison Company for the year 1941, issued early in 1942, contains this pledge:

"Until this war has been brought to a successful conclusion, the interests of our country and its allies transcend any and all other interests. Therefore, during this extreme emergency the entire resources of your Company, animate and inanimate, must be devoted primarily and unstintingly to cooperation with and acceleration of the great war effort. In doing this, however, neither inconvenience nor sacrifice should be imposed unnecessarily or ruthlessly upon our customers, employees or stockholders. Their interests must be given every consideration consistent with the Company's primary obligation to the country."

Volumes could be written on the manner in which Boston Edison Company fulfilled this pledge. During the 44 months of war which ended on V-J Day, this Company's resources, were "devoted primarily and unstintingly" to such cooperation. The high quality of Edison's war service is attested by the grateful comments of our customers. And meanwhile, the principal operating expenses—taxes, wages and fuel—increased 40 per cent, while revenues increased only 25 per cent. The Company absorbed these additional costs without increasing its basic rates.

Here are a few highlights in Boston Edison Company's wartime cooperation:

1. EVERY WAR DEMAND MET PROMPTLY. By the construction of new generating facilities, which was already under way before the outbreak of the European War in 1939, Boston Edison Company was in a position to meet the extraordinary demands of war industries. Between 1940, when the National Defense Program was launched, and 1944, the peak of war production, the Company's sales of electricity to industrial customers, measured in kilowatt-hours, increased more than 100 per cent. The manner in which the electric companies of America responded to the requirements of war industry has brought two significant tributes from high-ranking government authorities. Said the Chairman of the War Production Board, "Power has never been too little nor too late." Said a Vice-Admiral of the Navy, "When we asked for power we got power, and not — thank God — alibis."

2. EMPLOYEES MET THE TEST OF WAR. With 638 employees of Boston Edison in the armed forces, the Company

3. CONFIDENCE IN BOSTON'S FUTURE. The management of Boston Edison Company has implicit confidence in the future of Boston and the 39 cities and towns of Greater Boston which are directly served by our lines. This area not only can hold its own in competition with other parts of the country, but it has potentialities for more rapid progress—its matchless harbor, its strategic geographical location for air transportation, the skill of its workers, the thrift of its citizens, the excellence of its educational opportunities, and its many other natural advantages.

For many years the stockholders of Boston Edison have been investing in that confidence and will continue to do so. In the next five years this Company plans to spend \$40,000,000—increasing its generating capacity, extending its transmission lines, making alternating current available in direct current districts, and in other ways modernizing its facilities and service. Adequate electric service must precede, not follow, industrial development. General Motors was able to select a site in Framingham for its new assembly plant because five years earlier Boston Edison had brought additional power to that area with a new 110,000-volt transmission line. Those who are planning the industrial development of postwar Boston may proceed with confidence that electric power—the life blood of industry—will be "never too little nor too late."

BOSTON **EDISON** COMPANY

Boston, January 1, 1946

JAMES V. TONER, President

3. ARMY AND NAVY "E" AWARDS. Since electric companies do not manufacture any article used directly in combat, they were not eligible for "E" awards. But the 62 large customers of Boston Edison Company who received Army and Navy "E" awards frankly admit that they could not have qualified but for the assurance they had at all times of ample and reliable Edison power. Certain shipyards, munitions factories and other war plants increased their power loads from 300 to 500 per cent over 1940, but Boston Edison met every such demand promptly.

4. UTILITIES WARTIME AID PROGRAM. Since early in 1942 the public utilities of America have worked in close cooperation with the armed forces for the most efficient use of available facilities. In the New England area, the Boston Edison organization was privileged to assume leadership in this work of patriotic cooperation. The services of highly trained engineers from New England utilities were at all times available to Army and Navy establishments, and the savings in time, money and manpower are incalculable.

CHURCHES OF CHRIST,
SCIENTIST

The subject of the Lesson-Ser-
mon to be read in The Mother
Church, The First Church of
Christ, Scientist, in Boston, and in
all of its branches, on Sunday,
Jan. 13, will be "Sacrament."

The Lesson-Sermon also includes
the following passage from the
Christian Science textbook,
"Science and Health with Key to
the Scriptures" by Mary Baker
Eddy, "One's aim, a point beyond
faith, should be to find the foot-
steps of Truth, the way to health
and holiness. We should strive to
reach the Horeb height where God
is revealed; and the corner-stone
of all spiritual building is purity"
(p. 241).

American Legion
Program Outline

The first meeting of the New
Year for Arlington Post 39 Ameri-
can Legion was held Tuesday eve-
ning in Legion Hall.

Charles E. Neilan, Department
chairman of the Blood Donor com-
mittee, gave a most up-to-date ac-
count of the work and needs of this
worthy cause. The second speaker,
Department Vice-Commander John
J. Sullivan gave a resume of the
American Legion program for the

next year. A collation was served.

Chaplain to Speak
Maj. John J. Dugan, chaplain at
the Cushing General Hospital and
hero of Corregidor who survived the
Bataan Death March, will be
the guest speaker at the second
meeting of the month, on Jan-
uary 22 at 8:15. He will describe
his war experiences.
Refreshments will be served.

Community Club
To Elect Officers

The next meeting of the Com-
munity Club will be held Thurs-
day evening. Dinner will be served
at Martin's on Massachusetts Ave.
at 7. The members will then pro-
ceed to Ellerton's on Lake Hill
Ave., where the business of the
club will be conducted and election
of officers held for the year 1946.

Nathan Howard Gist
To Address Women

The Music and Education Com-
mittees of the Arlington Woman's
Club will present Miss Nancy
Trickey, soprano, and Nathan How-
ard Gist, lecturer, at next Thurs-
day afternoon's meeting in the Rob-
bins Town Hall.

Mr. Gist's subject will be "The
Final Test of Democracy." Mrs.

Frank P. Swett and Mrs. Paul A.
Smith are the committee chair-
men.

STORE ALTERATIONS STARTED

A permit has been issued by the

Building Inspector to A. H. Earle
of Boston to make alterations at
the store occupied by the Town
Paint and Supply Company, 303
Broadway. The building is owned
by the Massachusetts Universalist

Convention. The work of remodel-
ing two stores into one is already
under way.

Thank You, Arlington!

Your response to the opening of our new General
Electric Appliance Store in Arlington Center was most
enthusiastic.

We are proud to say that although our store is
only a week old, several Arlington families are already
enjoying the LATEST 1946 General Electric refrigerators
purchased at Ken Atkinson, Inc. We repeat our pledge:
We will give the people of Arlington first choice on all
appliances.

Naturally, we are proud of our store. If you have
not yet seen it, we hope you'll drop in today. Our staff
will show you every courtesy. As exclusive G. E. Appli-
ance Dealer in Arlington, we seek your fullest confi-
dence.

Local Captain's Ship Lands Coal in France

The first American ship—the "Sewell Seam"—cargo-ship, largest ever to dock at Nice, arrived there recently with 2,441 tons of coal for the French.

The "Sewell Seam" of the coal collier class deposited the major part of its 9,559 ton load at Marseille. Its crew of 35 officers and men is commanded by Capt. V. B. Lambert of Arlington.

Frosty Fare Offers 'Penthouse' Chicken

If you like chicken — and who doesn't, you must try a Frosty Fare "penthouse" chicken.

Think of the finest chicken you ever ate—anytime, anywhere. Remember how tender and rich flavored it was? Well you can now enjoy chicken like that any time you wish.

Frosty Fare "penthouse" chicken are brought up a new way. No scratching and running outdoors, developing tough, stringy muscles—no exposure to ailments that chickens on the loose pick up.

From the day they're born until they arrive on your table, Frosty Fare chickens live a pampered life—indoors. Penthouse birds, they're called. Their feet are never on the ground. Their quarters are clean as a whistle. Their food is selected for its ability to make tasty, tender meat. They're clean inside and out. Compared with so-called fresh chickens, Frosty Fare "penthouse" chickens are a different kind of bird.

Even "penthouse" chickens lay eggs, and lo and behold, their eggs share the improved quality of their parents.

Frosty Fare chicken specialties include capons, roasted chickens, fryers, fowl, chicken broth, chicken meat for salads, sandwiches and creaming, chicken livers and stuffed capons, all roasted, ready for the cooking pan.

In addition to poultry specialties, Frosty Fare carries a complete line of frosted vegetables, sea foods, pet foods, cocktail sandwiches, ice cream and dairy products.

Frosty Fare, 1321 Massachusetts Ave., Arlington Heights.

Local PTA Council Committees To Censor Indecent Magazines

The executive board meeting of the Arlington Council of Parent-Teacher Associations was held Monday at the home of Mrs. C. Wesley Johnson, 79 Claremont ave., with Mrs. Maurice P. King presiding.

Mrs. Norman J. Griffin, president of the Arlington Woman's Club, was a guest, and in her talk portrayed a graphic picture of the indecent magazines being sold through thirty-five Arlington stores to young people. Mrs. Griffin pointed out that this literature was being sold in most cases with no thought of malice on the part of the proprietors.

Committees will be set up at the Brackett, Hardy, Crosby, Locke, Peirce, and the Parmenter schools to censor this objectionable type of magazines.

A letter by W. Dale Barker, chairman of the Infantile Paralysis drive in Arlington, appealing for cooperation from the Parent-Teacher Associations was read.

Mrs. John Pitko, director of district four, announced the midwinter conference will be held at the Hotel Statler, Feb. 1.

A NEWS editorial on the dangers of unprovoked sidewalk was praised.

The next meeting will be a full Council, the business meeting to be held at the Robbins Library Hall from 1:00 to 1:30 p.m. on Feb. 28. The Council will then proceed to the Perkins Institute for the Blind in Watertown to observe classes.

A pleasant social hour followed. Mrs. John E. Stafford, Jr., hospital-ity chairman and hostess Mrs. C. Wesley Johnson provided the refreshments. Mrs. Harold Lafayette and Mrs. Charles Larden assisted in serving.

The Christmas party of the Westminster Club was held at the home of Mrs. Truman Robbins. Mrs. Beatrice Robertson had charge of the program. The first 1946 meeting will be held tonight at the home of Mrs. Milton Webb, 157 Westminster ave.

Recent Marriages

Perkins-Johnson
In an afternoon ceremony at the Westfield Congregational Church, Danielson, Conn., on Dec. 22, Miss Ruth Johnson, daughter of Mr. and Mrs. Eric V. Johnson and Robert H. Perkins, son of Mr. and Mrs. Albert H. Perkins of Arlington were united in marriage by Rev. Oliver H. Cowles.

The bride, who was given in marriage by her father, was attended by her sister, Ann Johnson as junior maid of honor and by her cousin, Y3c June Dewhurst as maid of honor. Bridesmaids were Miss Joyce Kempton of Springfield, Miss Angelina Del Pesco of Danielson, Miss Diantha Seaman of Framingham and Miss Frances Golden of New Haven.

TM2c David R. Perkins was best man.

The bride studied at St. Joseph's College in West Hartford and is in her senior year at Simmons College. The bridegroom is a graduate of Dartmouth College and served with the 10th Mountain Division in Italy.

Smith-Kolegue
Miss Helene S. Kolegue, daughter of Mr. and Mrs. August Kolegue of 50 Reed st., became the bride of James R. Smith, son of Mr. and Mrs. James R. Smith of 2 Newport st., at a ceremony in St. Agnes' Church, Sunday afternoon. Rev. Justin C. Durocher officiated.

Attendants were Cpl. William Smith, brother of the bridegroom, and Miss Josephine Mascioli of Dorchester.

Following the ceremony, a reception was held at the home of the bride after which the couple left for Miami, Fla. Both Mr. and Mrs. Smith are graduates of Arlington High School. The bridegroom is a World War II veteran with two years overseas service.

Arlington Navy Men In Manila Reunion

"It was almost as good as being home for Christmas!" wrote three Arlington young men, all of Mt. Vernon st., who met purely by accident at Christmas time in Manila.

They are: Bruce Shepherd, Donald Philbrick and Wallace Wannlund, chums for many years, all of whom are in the U.S. Navy. Shepherd is on a mine sweeper and Philbrick on an LST. Wannlund, who has been in a hospital in Australia, only recently was transferred to Manila.

STATE GUARD NOTES
After a two-weeks' vacation, Arlington Company, Massachusetts State Guard, turned out in full strength for Monday night's drill. The company had been taking it easy since winning the Regimental competition and now training will return to high gear. Close order drill, manual of arms, physical training, riot formations and rifle qualifications are scheduled.

Arlington residents, 17 to 50, may still join the company any Monday or Thursday after 8 p. m. at State Guard headquarters, Old Town Hall.

Heights Study Club
The Arlington Heights Study Club met Tuesday at the home of Mrs. Herbert A. Snow, Claremont ave.

The subject of the year, "China," was contributed by Mrs. Raymond E. Shepherd with a paper entitled, "Altar and Temple." Mrs. Verne Q. Powell spoke on "Chinese Poetry" and introduced Mrs. Sin of Boston who read poems and sang native songs.

SILVER ANNIVERSARY
Mr. and Mrs. Edward C. Hamel, Jr., of 36 Windsor st., celebrated their silver wedding anniversary with a party New Year's Eve and open house on New Year's Day. Fifty-three relatives and friends signed the guest book. The couple were married at St. Mark's Lutheran Church, Roxbury. They have lived in Arlington 15 years and have one daughter, Dorothy Louise.

Cambridge 'Y' Tops Boys' Club Quintet

Still smarting from a 59 to 51 defeat handed them by the fast Cambridge Y.M.C.A. quintet, the Arlington Boys' Club basketball team hopes to return to the win column tomorrow when it entertains the Raymond Club of Brighton at the local clubhouse and again next Wednesday night when the South Boston Boys' Club plays here. Both games are set for 8 p.m.

In the Cambridge lineup were: Grant, f.; Krushank, f.; Vincent, f.; R. Curbes, c.; D. Curbes, c.; Rawlings, g.; Markey, g.; and Sousa, g. For Arlington: Motherway, f.; Hamilton, f.; Keohane, f.; Donnelly, c.; Casey, g.; and Shea, g.

Next Tuesday evening, five members of Coaches Lyons and O'Brien's squad will go to the South Boston club to compete for the Greater Boston championship in the National Foul Shooting contest.

Medford Upsets Arlington, 4 to 2

Upset by the Medford High skaters 4 to 2, in the feature game at the Boston Arena last Friday night, Arlington High's Red and Gray hockey sextet dropped to second place in the Greater Boston interscholastic hockey league.

Dick Veinot of Medford figured in all four of his team's goals while Pete Brady, sensational in the net for Medford, helped that team break Arlington's winning streak. The loss was Arlington's first in four starts this season.

—The officers and members of the American Legion Auxiliary of Arlington express their deep sympathy to Mrs. Alice Hommell in the sudden death of her husband. Mrs. Robert S. Judge of 65 Appleton street, will be hostess to the Varia Study Club on Monday.
